

LAKE COUNTY BCC
SUV SPECIFICATIONS

Lake County is seeking quotes for the purchase of seven (7) 4x4 SUV's with Bluetooth connectivity (Ford Escapes or equal) for the Lake County Building Services Division.

The vehicles submitted in quotes shall be the manufacturer's standard equipment with no alterations. The County will not lease or purchase altered vehicles or custom designed vehicles unless expressly provided for in this proposal document. All vehicles shall be a 2015 model unless otherwise specified. The vehicles must be new and unused in current production. Used, demonstrator, prototype or discontinued models are not acceptable. The vehicles shall be the manufacturer's standard. The bidder's vehicles shall be equipped with the manufacturer's standard equipment and accessories which are included as standard in the published specifications for the unit. No such item of equipment shall be removed or omitted for reason that it was not specified in the bid. Any accessories not specifically mentioned herein but necessary to furnish a complete engineered unit ready for use, shall be included.

The vehicles shall be manufactured so as to be in strict conformance to all standards applied by any Federal or State regulations. Lights, brakes and all other devices, shall be in accordance with industry standards and established safety requirements as well as those safety and highway standards required by Local, State and Federal regulations, specifically including those of the US Department of Transportation.

Vehicles shall comply with the specifications. The bidder shall identify below if it is compliant, not compliant, or if there are any exceptions from the requirements of the specifications. If taking exceptions, indicate so in the column below and submit those exceptions on company letter head, along with any additional materials referencing the proposed alternate product and submit with your quote. All exceptions shall be identified by item number and letter on the exceptions list. Any and all exceptions and /or deviations from the requested specifications as listed, shall be submitted in writing, with specification sheets of the proposed equipment to determine equivalency. The County shall solely determine equivalency.
